

Successful career start & job hunting in Germany

ONLINE WORKSHOP SERIES
IN-HOUSE TRAINING
WITH RONA VAN DER ZANDER

ONLINE WORKSHOP-SERIES

This workshop series consists of three workshops, takes place online and in English.

Workshop 1:

Understanding the German Job Market and Work Culture

Workshop 2:

Navigating the Job Application Process (Finding job offers, CVs, Cover Letters)

Workshop 3:

Getting the job! (Job interview, Networking, Social Media in Germany)

ONLINE WORKSHOP-SERIES

Workshop 1: Understanding the German Job Market and Work Culture

Dive into the intricacies of the German job market! Learn about the unique aspects of working in Germany, including cultural norms, inter-cultural differences and expectations. Equip yourself with essential knowledge to start your career journey successfully.

ONLINE WORKSHOP-SERIES

Workshop 2: Navigating the Job Application Process (Finding job offers, CVs, Cover Letters)

Master the German job application process! Discover effective strategies for finding job offers and crafting compelling CVs and cover letters. Get tips to make your application stand out in the competitive job market, while keeping all inter-cultural differences in mind.

ONLINE WORKSHOP-SERIES

Workshop 3: Getting the Job! (Job Interview, Networking, Social Media in Germany)

Secure your dream job in Germany! This workshop focuses on acing job interviews, building a strong professional network, and leveraging social media for career success. Learn how to present yourself confidently and make valuable connections.

WORKSHOP DATES

This workshop takes place **online**:

Thursday, 10.10., 6-8pm

Thursday, 17.10, 6-8pm

Thursday, 24.10., 6-8pm

After the workshop series there is the possibility
book a **personal coaching session** with Rona (limited capacity - first come first serve).

WORKSHOP HOST

Rona van der Zander is an entrepreneur, founder, TEDx speaker and lecturer. She has worked with large companies, NGOs and international organisations (including the United Nations) in eight different countries. For six years, Rona has been a lecturer at various universities in Germany, France, England and the USA in the field of 'Future of Work'. She also supports universities in career services and helps (young) people to find the right career path in an ever faster changing world. She has given a TEDx Talk on 'Future of Work' and hosts a podcast on 'Future of Work & Communication'.
